ACCREDITATION

Application Approved

This continuing nursing education activity was approved by the American Nephrology Nurses' Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

FEATURED SPEAKER

Deborah Brouwer, RN, CNN

Deborah is one of the original Work Group members and remained on the 2006 Work Group for the NKF K/DOQI Guidelines for Vascular Access. She served as a Work Group Member for the CMS National Vascular Access Improvement Initiative, now known as the Fistula First Breakthrough Initiative (FFBI), and currently serves as a member of the FFBI work groups for professional and beneficiary education. She has authored numerous medical journal publications on the topic of vascular access and participated in the development of the FFBI cannulation video. She is a nationally recognized expert in the area of vascular access and presents frequently at international, national and regional conferences. She was awarded the 2007 ANNA Nephrology Nurse Educator Award. She is currently employed as Director, Clinical Business Development for Renal Solutions, Inc.
