

## END STAGE RENAL DISEASE NETWORK 8, INC.

Network 8 works with Medicare to make sure you receive information about kidney disease and other topics that are important for you to know. The Patient Newsletter is one way for us to share information with you. Please take a moment to mark your answers to the questions below about the newsletter.

1. The Patient Newsletter provides information that is important to me.  
 Agree    Disagree    Don't Know
2. Please select all that apply. After reading the newsletter:  
 I plan to ask more questions about my facility's grievance process.  
 I plan to learn more about the role of the Network.  
 I plan to contact the Network.  
 I plan to talk to my doctor or staff member about risks of opioid use.  
 I plan to ask my social worker about my eligibility for vocational rehabilitation.  
 I plan to contact my local vocational rehabilitation program.  
 I plan to request a meeting with my kidney doctor or care team.
3. I understand my facility's grievance process.  
 Agree    Disagree    Don't Know
4. I know how to communicate with my kidney doctor and/or care team.  
 Agree    Disagree    Don't know
5. Please list any topics you would like to know more about in upcoming newsletters.
